WARRANTY

PRS products are warranted through the authorized PRS dealer from which they were purchased. If you are the original owner and are experiencing an issue with your PRS that is warranty related, please contact your authorized PRS dealer. The dealer will be able to work through the return and repair process with you.

These warranties are extended to the original purchaser only and may not be transferred or assigned to subsequent owners. Proof of purchase or a sales receipt must accompany all requests for warranty coverage.

PRS makes no other express warranty of any kind whatsoever. All implied warranties, including warranties of merchantability and fitness for a particular purpose, exceeding the specific provisions of this warranty are hereby disclaimed and excluded from this warranty. Some states and/or countries do not allow the exclusion or limitation of implied warranties so that the above may not apply to you.

PRS shall not be liable for any special, indirect consequential, incidental or other similar damage suffered by the purchaser or any third party including without limitation, damages for loss of profits or business or damage resulting from use or performance of the instrument, whether in contract or in tort, even if PRS or its authorized representatives has been advised of the possibility of such damages, and PRS shall not be liable for any expenses, claims or suits arising out of or relating to any of the foregoing.

If at any time during the warranty the guitar or amplifier malfunction due to faulty materials and workmanship, PRS will, at its sole discretion, repair the defect without charge or replace it with a model of similar specification and value that does not exceed the original purchase price of the guitar.

To obtain warranty assistance, the guitar or amplifier must be taken to an authorized PRS dealer with a copy of the sales receipt to obtain a Returns Authorization prior to return to the factory.

All shipping and insurance, including any perceived "collector" value, are the sole responsibility of the original purchaser.

On arrival at PRS, a determination will be made whether the defect is covered under the terms of the warranty. If the repair is covered under the terms of the warranty, it will be repaired at no cost to the original

purchaser including return shipping. If the repair is not covered under warranty, an estimate of the cost of the repair to the original purchaser will be given.
